# ABOUT US

Golders Green College was established in 1941. We provide high quality English courses for overseas students. Located in a safe residential area, in the heart of north London, Golders Green is just a 20-minute tube journey to the city centre where many of London's famous landmarks are, such as the British Museum, Big Ben, Piccadilly Circus and Trafalgar Square. There are also plenty of theatres, cinemas and restaurants there.

You can find us on Golders Green Road, a vibrant high street with several coffee shops where you can meet up with friends and enjoy your break time. Our classes are held in bright classrooms with period windows spread over three floors.

In Golders Green you will find a number of different nationalities which bring many diverse cuisines and shops, so you are never too far from your own culture! There is a church close by, a mosque, several synagogues and a Buddhist meditation centre.

## Social Programme

The College organises regular trips to places of interest in London. Students are accompanied by a member of staff and it is a good opportunity to meet other students and practise speaking English. We also hold parties at the end of every term.

During the summer students can visit places outside London such as Brighton, Cambridge and Oxford.

*Golders Green College is accredited by the British Council for the teaching of English language (EFL/ESOL) and member of English UK.*
